## Who are the Cougs?

WSU Cougs are creators, innovators, builders, and authors. We are motivators, self-starters, and scholars. We look to the stars while staying down-to-earth.

Above all else, we live our lives and pursue our studies with purpose. We are determined to change the world, and we're not afraid to roll up our sleeves and lead the way.

We are Makers. Doers. Cougars.

### WHERE DO WSU GRADUATES WORK?

Enterprise Holdings, Hilton Hotels Worldwide, The Boeing Company, Microsoft, Nordstrom, Amazon, Deloitte, Insight Global, Energy NW, Marriott, Google, NBC. These are just a few of the big names.

WSU students also go on to work for a wide variety of community organizations and small businesses—and also start their own. The WSU alumni network is worldwide and opens doors for Cougs in all industries.

*"I was the first in my family to graduate from college. Without the supportive community at WSU coaching me and showing me what it takes to graduate, I wouldn't have made it. At WSU, I wasn't alone."*

YOU COULD BE MANAGING TV ADS FOR NBC IN LOS ANGELES!

### Shon Davis

COMMUNICATION | CLASS OF 2012 | SPOKANE, WA

A digital sales planner for Telemundo NBC in Los Angeles, Shon develops commercial ideas for big-time companies.

He manages multimillion-dollar advertising accounts for clients like Disney, Honda, Acura, and Universal Pictures... just to name a few.

Shon frequently visits campus to talk to prospective students (like you!). He's tenacious, ambitious, and pursuing his dreams one awesome commercial at a time. He's a Cougar.

WSU is among fewer than 3% of U.S. universities that qualify for the Carnegie Foundation's "very high research activity" classification.

## Honors College

Smaller, discussion-based classes with global focus and award-winning professors. You can major in any field and still graduate in four years. Avg. high school GPA (unweighted): 3.85

# Your experience matters

YOU COULD GET A JOB OFFER BEFORE YOU GRADUATE!

## Victor Charoonsophonsak

MECHANICAL ENGINEERING | CLASS OF 2017 | ANCHORAGE, AK

Victor conducted food safety and fuel cell research alongside nationally recognized professors. He enjoyed small class sizes through the Honors College, served in student government, and studied abroad for two weeks in Tanzania. He even started his own company and built a smart thermometer for a class project that's now being used by WSU researchers in Africa. He had multiple job offers before he graduated and is now in his first year as a business consultant in Seattle. He's a Cougar.

*"I want to change the world by being a physician who cares for patients with the cultural awareness I gained while studying abroad."*

YOU COULD BECOME A PHYSICIAN!

## Shanelle Briggs

BASIC MEDICAL SCIENCE & SPANISH  
SENIOR | OLYMPIA, WA

Shanelle translated and assisted with medical procedures during a WSU volunteer trip to Guatemala in 2017. This experience has inspired her to travel to Costa Rica after graduation for a medical internship. After that she plans to attend medical school. She's a Cougar.

## Study abroad

Immerse yourself in a different culture through one of 600+ study abroad programs in 71 countries.

## Discover Pullman

We walk and bike everywhere, whether it's downtown or across campus. We thrive on coffee, Cougar Gold cheese, free movies at the Compton Union Building, and the uniqueness of two college towns connected by an 8-mile bike path.

We value arts, culture, science, and innovation. Between our lively music and theatre scenes and the always-changing exhibits at WSU's Museum of Art, there's never a shortage of artistic expression here.

We have small town friendliness and everything you'll need for a meaningful college experience.

WHERE EXACTLY IS PULLMAN?  
Glad you asked! Pullman is located in eastern Washington about 75 miles south of Spokane and eight miles west of Moscow, Idaho. We're nestled among 10,000 square miles of beautiful rolling hills in an area called the Palouse. Our location is perfect for camping, hiking, skiing, kayaking, rafting, and more. We even have 35 miles of paved bike paths. Grab a fellow Coug, and go explore!

See it for yourself!

#### PRE-PROFESSIONAL STUDIES

Professional schools of health and law don't prefer or require any particular major—just choose a major you enjoy and can do well in. Professional schools in health care fields do require specific prerequisites, however. Whatever your major or professional goal, our Health Professions Student Center and Pre-Law Resource Center can help you get the right prerequisites and prepare for the school of your choice. It is important that you visit a pre-professional specialist/advisor in your first year.

# Eat, sleep, and live better — on campus

Studies show that students who live on campus have higher GPAs than students who don't. We care about your success, and that's why we require freshmen to live on campus. You'll attend late-night study sessions and weekend Netflix marathons, have access to our three dining halls, and be right in the middle of the WSU student experience.

## Bailey Fillinger

POLITICAL SCIENCE/PRE-LAW | JUNIOR | MISSOULA, MT

Bailey lived in Global Scholars Hall her freshman year and met fellow students from all over the United States, China, and Australia. She got a job at the front desk, which allowed her to meet everyone in her hall despite her shy personality. On Saturdays, Bailey could be found with her friends in one of the hall lounges eating Chinese take-out and watching *Revenge*. She's a Cougar.

*"I loved having access to an Einstein Bros. Bagels right downstairs. I loved being on campus and so close to my classes. I loved how easy it was to get around, and I loved the people. WSU feels like home."*

## TIMELINE 2017-2018

AUGUST	Application for admission opens
OCTOBER 1	FAFSA and WASFA become available
NOVEMBER 30	Early admission application priority date
LATE DECEMBER	Financial aid estimates begin posting
JANUARY 31	Admission application priority date <ul style="list-style-type: none"><li>- FAFSA filing priority date</li><li>- WASFA filing deadline (for DACA or HB1079 students only)</li><li>- WSU General Scholarship Application deadline</li></ul>
FEBRUARY - MARCH	Financial aid awards begin posting
MAY 1	Confirmation deadline. Admitted students need to confirm their space before this date by paying the \$200 non-refundable tuition deposit.

### College Academic Distribution Requirements (CADRs)

To be eligible for admission, you will need to complete high school courses in these areas. [cadr.wsu.edu](https://cadr.wsu.edu)

English	4 years
Mathematics	3 years
Senior year math-based quantitative course	1 year
Examples: statistics, advanced level of applied math, math-based career and technical courses, chemistry, physics, etc.	
Social Sciences	3 years
Science	2 years
World Languages	2 years
Arts	1 year
Examples: music, theatre, art, or an additional year of any other course above.	

### Assured admission

WSU assures admission to U.S. high school students who are ranked in the top 10 percent of their high school class or who have an unweighted cumulative high school GPA of 3.5 (on a 4.0 scale). [assured.wsu.edu](https://assured.wsu.edu)

### Running Start and other college-level coursework

If you have completed Running Start classes, or any other college-level coursework while in high school, you should apply as a freshman to WSU. You will receive applicable college credit once we receive an official college transcript.

### AP, IB, CLEP & Cambridge credit

WSU awards credit for acceptable scores on Advanced Placement (AP), International Baccalaureate (IB), CLEP, and Cambridge A-level exams. [wsu.edu/advancedcredit](https://wsu.edu/advancedcredit)

## How to pay for college

[scholarships.wsu.edu](https://scholarships.wsu.edu) | [financialaid.wsu.edu](https://financialaid.wsu.edu)

Completing the FAFSA/WASFA and applying for WSU scholarships are vital first steps—but don’t stop there.

Use our scholarship search engine and outside sources to find other awards. We’ll add scholarships from other sources to the financial aid WSU offers you!

- You can earn scholarships for community service, leadership, work experience, life experience, career goals, and more.
- Apply for as many scholarships as you can. We suggest applying for at least 40 scholarships from outside the university.
- Amounts range from a few hundred dollars to several thousand, and you can accept any number of awards. Even a few small awards can make a big difference.

### Jobs and work-study

Working while in college is very doable. There are hundreds of student-friendly jobs in the Pullman area, both on campus and off. With the state’s \$11 per hour minimum wage (increasing to \$11.50 per hour in 2018), working 15 hours a week during the school year will earn you more than \$5,500 before taxes! Students in work-study positions can earn a maximum of \$4,000 per year.

### It’s worth the investment

On average, a bachelor’s degree brings \$1.6 million more than a high school diploma in lifetime earnings.

And how’s this for value: the average mid-career salary for WSU graduates with a bachelor’s degree is \$89,100, ranked among the top 15% of 4-year universities in the U.S. (*PayScale College Salary Report 2016-17*)
